Dear Alaka:

Our Annual Providence Firefighters Family Outing at the W. Alton Jones campus was a great success this year. The presence of your "Rock Climbing Wall" was definitely the hit of the outing. It, along with you and your professional staff made this a very enjoyable and memorable experience for all who attended.

The "Rock", was the talk of all our fire stations for weeks after the outing. Many members who were unable to attend this years outing are already looking forward to next year for their crack at conquering the "Rock".

Once planning begins for the 2001 outing, we will be in touch. Until then, on behalf of our members and their families I wish to congratulate you on a great undertaking and wish you all the best in the future.

Sincerely,

James H. Morton,
Association Treasurer
